

### **Cancellation Policy:**

If a client cancels their service(s) after submitting the payment agreement form, the client may still be responsible for partial or full payment depending on the timing of the cancellation and any commitments already made to reserve the client's spot.

### **Late Payment Policy:**

Payments not received by the stated deadlines may be subject to a late fee. Continued failure to submit payment may result in cancellation of the client's previously booked service(s), and the outstanding balance may still remain due.
